II. Letter from A.D.Crombie Esq., ~~C.E.I.~~ C.I.E, I.C.S., Collector of Bellary, Roc. No. 590/40-B-4, dated 27th February 1940.-

Government in their order No. Ms 1942 P.H., dated 26th May 1939, communicated with B.P. Routine No. 2477, dated 2nd June 1939, sanctioned the employment of 3 lascars in connection with antimalarial measures necessary for the prevention of the breeding of mosquitoes in the distributory channels in Siruguppa village in this district. The sanctioned

period expires by 31-3-1940. Due to the constant flow of water in the distributory channels, the rank vegetation on the bunds of these channels grows in abundance and its clearance is necessary as an antimalarial measure.

I therefore request that the Board may be pleased to obtain the necessary sanction of Government for the retention of the three temporary lascars for a further period of one year from 1-4-1940.
